

SBCC MEETING MINUTES
SEPTEMBER 11, 2015 2 PM

Attendance: John Fields, Bob Cestone, Wayne Schrader, and Joe Hinks

Public input: None

Review of Linda Raab's South Bethany Code Review:

After some group discussion it was agreed that there was nothing in the report that required immediate action. It was felt that more than half of the comments/recommendations were not needed, were wrong, or was just "wordsmithing." About one quarter of the items seem questionable or not understandable. The remaining one quarter had some merit but have a low priority. It was agreed that the best way to address those with merit was to update those chapters in question at the same time as some other change was being made to that chapter.

It was agreed the committee needed more time to review and prioritize the items. The committee members will review the items that have merit and establish a priority list at an upcoming meeting to be scheduled for October.

Public input: None

The meeting adjourned at 2:35 PM.
