

Movie Night Volunteers!

I hope everyone had a great Memorial Day weekend!

Joanne Flanders and I met on Friday night and discussed the movie night. Joanne has overwhelming talent and experience in this area! We are so lucky to have her!

Since many of you are only in town on weekends, please provide feedback via email or phone

Here is the status of where we are:

**Movie--**"Dolphin Tale 2" is reserved for Saturday, July 4th, at 8:30 pm.

**Movie set up; e.g. screen, projector, sound--**Kathy confirmed that Barton's in Seaford will provide the equipment.

**Rope Lighting--**Don confirmed that we have this from last year. **Don, can you confirm that it works, please. Kathy will contact residents adjacent to the walkway to see if we can use their electricity.**

**Greeters--**We need to determine who can do this. I believe Linda Raiford, Sandy Raymond, Joanne Flanders, and Kathy will be available to be greeters and hand out "give-aways."

**Give-aways--**Kathy bought some dolphin glow necklaces, just to see what they look like. Kathy also looked into "Dolphin shaped suckers" [Dolphin Shaped Suckers : 50ct | Groovycandies.com Online Candy Store](#)

---

**Please let me know your thoughts and ideas.**

**Food vendors--We could really use some help here.** Joanne and Kathy have discussed having:

popcorn--we decided it would be salty and therefore, we would then have to provide water

lemonade--the real stuff

Assorted nuts and fruit, like a trail mix, (not peanuts) in a paper cone.

Snow cones same as last year

**Port-a-potties--**Joanne had some good comments: The movie is 107 minutes long. "I would think a child could go that long without a bathroom visit but am not an expert in this area.

Also, many parents might prefer to walk their child home for a toilet break and skip the port-a-potty, especially in the dark when you cannot see well inside the potty. ....

the height of the seats will make it very difficult for a child to hover over the bowl, so a parent would need to sit the child on the pot itself. "

Kathy and Joanne vote that we don't have port-a-potties.

**Flyers/advertising--**see attachment. Kathy will provide Laura Walter from the Coastal Point with a writeup of all the events we will have that weekend.

**Pre-movie movie--**Joanne volunteered to look into a short film to show prior to our movie. I also wondered if we would want to show something on bicycle safety or some other topic relevant to our community. [Right by Kids Helmet Safety Video Lesson - Featuring "Little" Do-Right](#)

**Trash--**Since our Maintenance Staff will be left to pick up behind us, I would like to propose additional trash cans be placed on the beach. I did discuss with Don Chrobot, our Maintenance Supervisor, that we not have candy so we won't have the issue of paper wrappers strewn across the beach. However, I don't see how we can eliminate all trash if we have a vendor providing some sort of snack. Ideas are welcome here, as well.

Again, since many of you are only in town on weekends, please provide feedback via email or phone.

I propose the next meeting be held at 5 pm on Friday, June 5 at the Town Hall. Please let me know your availability.

Thank you for volunteering to help!
