Town of South Bethany **News Update**

November 21, 2016

South Bethany Owners:

At the November 18, 2016, Town Council Regular Meeting I tabled Agenda Item V to vote on soil testing and drawings saying it would be moved to the December 9, 2016, Town Council Regular Meeting.

I cited the seriousness of the initiative, B&F had just supplied Council with estimated residual costs for the expansion at 5 pm that day, and owners needed time to review all website materials.

Waiting for December will not impact the project schedule and will allow Council thoughtful consideration of information before them and what owners voiced during the Council meeting.
